## TESTIMONIAL

**Asiya Tehreen**  
2023-24

"This College really helped me develop, both in terms of academics and character. So my message to parents, don't hesitate to send your child to school here!"

**Rida Anam**  
Student

"I feel that the teachers here are very good at guiding me, learning becomes more fun because the methods they use make me never feel bored"

# ABOUT US

Radiant Pre-University College was established in 2012, starting its humble operations from a small rented hall with a bold vision: to make quality education accessible to aspiring students. From these modest beginnings, the college quickly distinguished itself through its nurturing environment, innovative teaching methods, and a strong emphasis on personalized mentoring. Over the years, Radiant PU College has guided and transformed the academic journeys of more than 2,000 students.

## WHY SHOULD YOU CHOOSE US ?

- A** Academic education and character development.
- B** Technology-based teaching and creative approaches.
- C** Modern classrooms, sports facilities, digital library.

# VISION AND MISSION

## VISION :

At Radiant College, we imagine a transformative educational journey that nourishes, strengthens, and an occasionally developed health care landscape prepares medical professionals for success in the health care scenario. Our college will be a beacon of excellence, which is dedicated to providing world class education, mentorship and resources to students pursuing medical career.

## MISSION :

At Radiant College, our mission is to provide aspiring medical students with the knowledge, skills, and support they need to successfully navigate the journey into medical courses and ultimately become compassionate, skilled healthcare professionals

- A** Providing high-quality education.
- B** Developing student potential in various fields.
- C** Forming the character of students with good morals
